3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?

Management Plan:

Arundel Community Development Services, Inc. (ACDS) has administered federal funds, developed affordable housing strategies, and implemented housing and community development activities in Anne Arundel County, Maryland since its inception in July of 1993. ACDS is responsible for administering and managing the County's federally funded Community Development Block Grant program, HOME Investment Partnerships Program, the Emergency Solutions Grant Program, Housing Opportunities for Persons with AIDS Program and the Continuum of Care for the homeless. The Executive Director and Planning staff meet regularly to oversee the status of each task as well as to evaluate project performance. The CoC Board meets monthly and has an established board, committees and work groups to continue to work on all tasks and to complete them by the established deadlines outlined above. Kathleen M. Koch, Executive Director, brings over 30 years of experience in managing State, federal and local housing and community development activities. In her role as Executive Director of ACDS, a position she has held since the agency's inception in 1993, she oversees several housing programs providing direct services to low and moderate income households, and is responsible for administering the County's CDBG, HOME, ESG, HOPWA, and CoC programs. Elizabeth Brush, Planning Manager, brings over 17 years of experience administering the CoC planning process, CoC funded grants and ESG. She has successfully developed a strategic plan for addressing the needs of the homeless. This grant will ensure that the County is able to move forward with the implementation of that plan.

Anne Arundel County, the recipient of CoC and ESG funds, has contracted with ACDS to administer these grant funds. ACDS is designated as the CoC Lead Agency by Anne Arundel County and Annapolis Coalition to End Homelessness - the County's CoC. ACDS is responsible for establishing monitoring procedures and practices involving the comprehensive review of eligibility, financial, and program compliance of all projects. The requested funds will allow ACDS in partnership with the CoC's Board to continue to improve its ability to assess and measure a program's effectiveness and performance moving the County toward its goal of ending homelessness.

4. How will the planning activities continue beyond the expiration of HUD financial assistance?

The planning activities will continue beyond the expiration of the grant because of the CoC's processes and systems this HUD grant has helped and will continue to help establish, define, and implement. The CoC has established a cohesive group of agencies, providers, and community stakeholders who come together to ensure that the County constantly works towards a strong continuum with a commitment to end homelessness for all individuals and families. Without CoC funding, the CoC will continue due to this new strength of organization, as well as through planning fund from the County, CDBG, and ESG funds.
