

PUBLIC NOTICE

September 7, 2019

NOTICE OF AVAILABILITY OF THE ANNE ARUNDEL COUNTY DRAFT CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT FOR FEDERALLY FUNDED HOUSING AND COMMUNITY DEVELOPMENT PROGRAMS

Notice is hereby given that the Anne Arundel County Draft Consolidated Annual Performance and Evaluation Report (CAPER) for Local Fiscal Year 2019 is available for public review and comment. The CAPER is required by HUD to identify federal resources, including CDBG, HOME, ESG, HOPWA, and CoC funds, received by Anne Arundel County between July 1, 2018 and June 30, 2019, which are used to implement projects and programs to achieve the goals and objectives as outlined in the Consolidated Plan: FY 2016 – FY 2020.

The report includes a summary of available resources, accomplishments, and an evaluation of actions undertaken to achieve the Strategic Plan objectives highlighting the County's efforts to provide affordable housing, address the needs of the homeless population and those with special needs, and affirmatively further fair housing. This report also identifies how federal funds leveraged other resources and met program specific requirements for the CDBG, HOME, and ESG Programs, and responded to comments and input received from citizens and providers.

The draft CAPER is accessible and/or available via the internet for review in all County libraries, on the ACDS website at www.acdsinc.org, and at the office of Arundel Community Development Services, Inc. (ACDS) at 2666 Riva Road, Suite 210, Annapolis, MD, (410) 222-7600. Copies of the draft CAPER will be made available in a form accessible to persons with disabilities upon request. Oral and written comments received by or before 5 p.m. September 23, 2019 will be considered and changes made, if such changes are deemed appropriate, prior to submitting the final plan to HUD on September 28, 2019. A summary of all comments, with reasons provided for any comments not incorporated, will be included in the CAPER submitted to HUD.

Kathleen M. Koch
Executive Director, ACDS
