Applicants who are selected to receive a VLT Grant will be required to enter into a grant agreement with Arundel Community Development Services, Inc. ACDS staff will contact the main contact person to begin processing the grant award and ensure the organization has submitted all required grant documents, including an Insurance Certificate naming ACDS as an additional insured and a board resolution or other organization document stating that the grant signatory is authorized to sign grant agreements on behalf of the organization.

If the organization is awarded funds, do not begin incurring expenses until the organization has a fully executed written agreement with ACDS. ACDS is not liable for any expenses incurred before the grant agreement is executed.

Once funds are awarded, grantees must:

1. follow ACDS invoicing procedures, including submittal of request for payments on organizational letterhead signed by an authorized representative with supporting back up material (original receipts, invoices);
2. submit progress reports and a final report once the project/program is complete; and

Obtaining a printout of Good Standing Status from the Maryland Department of Assessments and Taxation

Information about business entities can be found at the Maryland State Department of Assessments and Taxation (“SDAT”) website.

Go to [www.dat.state.md.us](http://www.dat.state.md.us). From the center of the home page, select “Business Data Search”. From the menu in the second block, select “Business Entity Information”. Under “Name Search”, enter the name or a part of the name of the entity. There should be no spaces between words, and you should not include the words “the” or “and”. Also, do not include any “tail” such as “Inc.” or “LLC”. If you only search part of the name, follow the part with “%” for a wildcard search.

It will give you the entity’s name, status with the SDAT, and whether the entity is in good standing with SDAT.

A paid SDAT Certificate is not required.

A printout of entity detail from the Maryland Department of Assessments and Taxation webpage indicating the organization’s good standing is acceptable.

***Please note that if the entity is listed as “forfeited” or not in good standing with SDAT, it cannot enter into a contract with the County until the forfeiture or lack of good standing is resolved.***

### **STRATEGIC PRIORITIES FOR LOCAL DEVELOPMENT COUNCIL FY 2021 FUNDING (COMMUNITY GRANTS AND INVITE ONLY GRANTS)**

Local Development Council (LDC) funding is a valuable resource serving communities within a 3 mile radius of the Live! Casino. The LDC is tasked with making funding award recommendations to Anne Arundel County through small grants (“Community Grants” up to \$40,000) and larger grants (“Invitation” grants over \$40,000). These grants bring hope and make a significant difference in our communities through community revitalization and beautification, education, workforce development, transportation, and social service programs.

While there are many worthy partners in the community who apply for grants to improve community life, the total requests and needs continually outpace available funding. Recognizing this, the LDC would like to establish funding priorities and guiding principles to help direct future grant making activities. While the LDC anticipates going through a larger strategic planning process to analyze data and receive broad community input in the future, the guiding principles and funding strategies below will guide our work for the next fiscal year.

#### **GUIDING PRINCIPLES**

LDC funds should be spent on the programs that will produce the biggest return on investment in communities within the three-mile radius of the Maryland Live! Casino. Below are three major areas the LDC would like to have impact.

- (1) Provide Human Services to help People Succeed
- (2) Beautify and Revitalize Communities
- (3) Enhance Educational Outcomes

LDC priorities within each of these three areas are described below.

#### **SPECIFIC FUNDING OPPORTUNITIES**

##### ***Human Services for Success***

The overarching goal is to deploy resources for services that will have the greatest impact on people’s lives – not just in terms of number of people served, but also to the extent, the service creates opportunities for success and self-sufficiency.

1. Focus on initiatives that provide positive outcomes around:
  - Transportation (empower accessibility)
  - Help with child care (empower people to work)
  - Recreation & Youth Development (after school programs, mentoring, police programs, Boys & Girls Clubs)
  - Food and nutrition assistance (support a holistic food program)

- Increase employability programs (jobs skills training but also soft skills)
  - Case management & support (to help people get on their feet in a sustainable way)
2. Support a regional Severn Intergenerational Center to include a regional Boys & Girls Club and senior center.

### ***Community Beautification and Revitalization***

The overarching goal is to invest in capital improvements in communities and public lands located within the three-mile radius of Live! Casino who are:

- (1) most impacted by the Casino; and
- (2) most in need of revitalization.

Priorities include:

Beautification Programs  
Property Repair Programs

### ***Enhance Educational Outcomes***

The overarching goal is to deploy resources for schools where it will make the greatest impact and improve education outcomes in the Meade feeder cluster of schools.

The LDC will focus on projects having the largest impact, in terms of both number of students and where the greatest need is.

The LDC will work with AACPS to develop a “needs” list for schools within the three-mile radius that have had little or no LDC support to date and (a) may not have the internal support necessary to generate such a list on their own; and/or (b) may have substandard or inadequate facilities.

Educational initiatives submitted for LDC funding should be beyond what the Board of Education (not the LDC) should be funding and not increase the County’s maintenance of effort obligations.

LDC funding should not replace funding that is available from other resources.

The LDC will contact AACPS to ensure it supports the proposed project or initiative. These proposals will be shared with AACPS staff to ensure there is a need for LDC resources and there are not alternative sources that could support the project or initiative.

The LDC will work to identify and fund, either partially or entirely, key projects that may help to transform the schools within the three mile radius into an excellent educational experience.

### LDC GUIDELINES ON FUNDING FAITH-BASED ORGANIZATIONS & RELATED ACTIVITIES

Anne Arundel County and the Local Development Council recognize the important role faith-based organizations play in providing human services and support to our neighborhoods and communities. Keeping this in mind, grants will not be made for religious purposes but may be made to faith-based organizations to support non-religious programs and projects offered to the broader community.

For grants that support equipment or operating costs for **programs**, the program may be located within a house of worship and/or run by a 501 C 3 organization affiliated with the house of worship, but the program benefits must be available to the wider community, including persons of all faiths and non-believers. Additionally, inherently religious activities, such as worship, religious instruction, or proselytizing, may not be part of a program or the services funded by a grant. Inherently religious activities must be offered separately, in time or location, from the programs, activities, or services supported by LDC funds.

For grants that support **capital projects**, funds may not be used to pay for capital equipment, construction or renovations for/to structures that serve primarily as a place of worship or where the primary use includes inherently religious activities. Funds may be used, in a proportional amount, to sustain space located within a house of worship that will be made available to the wider community, including persons of all faiths and non-believers, for uses that are not inherently religious, including, religious worship, instruction or recruitment.

Please contact ACDS staff for further guidance or examples.
